## FAMILY LAW WORKFLOWS

- *Family Law Workflows* is a practice solution designed to help you more efficiently achieve outcomes for your clients by providing step-by-step guidance through the processes of legal work.
- **Multiple topics** - starting with "Ending a Relationship" and "Property Distribution" on release, to be followed by "Children's matters" and "Child Support" among others
- **Navigation schematics** - visual maps of legal processes and procedures that efficiently guide you step by step towards the outcomes your clients require.
- **Interactive tools** - supporting checklists, decision trees and flowcharts that provide transparency and consistency in your legal work.
- **Tips and alerts** - guidance and supplementary information highlighting areas of obligation and regulation to help minimise risk.
- **Forms and precedents** - client information sheets and Asset & Liability calculator are part of the product. The workflow indicates when court forms, precedents and other documentation is required in context. Subscription to *Family Law Precedents – NSW Law Society* (on Westlaw AU) enables links to downloadable documents for immediate use.
- **Same platform access** - related research publications and additional precedents suites also available on Westlaw AU, subject to subscription.

## DICKEY'S FAMILY LAW WITH LEGISLATION

### **Anthony Dickey**

- After nearly thirty years of publishing, Anthony Dickey's distinguished commentary on family law is now available within *Dickey's Family Law with Legislation*.
- The sixth edition of *Family Law* can now be searched and browsed electronically, complemented by and hyperlinked to core Commonwealth and WA legislation which is gradually being enriched with various kinds of guidance.
- While Dickey's text is a statement of the law as at 1 September 2013, the legislation in *Dickey's Family Law with Legislation* is maintained as law in force. Key section annotations are being incrementally published to the main Commonwealth and WA statutes, and other editorial notes offer users a deeper research experience. The domestic violence orders legislation from each of the states is also included, with key section annotations for the WA jurisdiction.
